

JUDGE DUFFIE APPOINTED

Successor to Judge Walton Selected by the Governor.

GROOMING B. & M. FAVORITES AT LINCOLN

Majors, Richards and Other Repudiated Railroad Workers Will Be Lined Up for the Senate When the Legislature Convenes.

LINCOLN, Nov. 12.—(Special.)—Governor

Crouse today appointed Edward R. Duffie judge of the Fourth judicial district to succeed Judge Walton, who resigned some time since. Judge Duffie was not an applicant for the position, and the appointment is a surprise and compliment. A prominent attorney from the Fourth district says that he is not only an excellent lawyer but also a man who will bring into office an experience on the bench in both Iowa and this state, and that his appointment will be gratifying to the bar of the Fourth district.

The official canvass of the vote of the state at the last election proceeds slowly in the office of the secretary of state. Only about thirty-five county returns have been received so far, and these make but few changes in the result as tabulated by The Bee. The county clerk of Phelps county has wired the secretary of state to return the erroneous abstract giving Majors a plurality of 296 for correction. The corrected return is expected to arrive tomorrow.

Coniact talk is still indulged in by disappointed Majors men, but so far no substantial grounds for such a contention have been shown in any section of the state. It is generally conceded in Lincoln that Judge Holcomb will have a clear plurality of 3,000 or over at the close of the official canvass of the vote.

In the secretary of state's office today the Missouri Valley Land company renewed its articles of incorporation for twenty years from February 1, 1894, to February 1, 1914. The principal office of this company is at Cedar Rapids, Ia. It transacts a business of increasing importance. A concerted movement for the relief of the deserving destitute of the city of Lincoln is being made. This is in response to a recent appeal from the city of Lincoln, headed by the News Publishing company, has been signed by many of the most prominent firms of the city, stipulating to pay the sum of \$5 a month to the destitute, to be paid in advance in aid of the poor of the city. This agreement is to be in force and effect for at least three months, and longer if in the opinion of the mayor it shall be deemed necessary to extend further a day.

Complete arrangements are being made in Lincoln for the reception and entertainment of Majors, chiefs of police, city marshals and others who are to convene Thursday, December 6, by call of Chief of Police Seavey at Omaha. The meeting will be held in the council chamber, Lincoln. Special rates have been secured from railroads. There is said to be pending a great deal of important business to transact to promote the efficiency and welfare of the police forces of the state.

So far as Lincoln is concerned the senatorial bomb seems to have been exploded in a slow match. While Church Howe was, apparently, in the lead last Saturday, opinion here is apparently being steadily crystallized in railroad circles in favor of the general attorney of the B. & M. J. M. Marquette. It is rumored that he is to be pushed forward for the Mansfield succession, and that he will have the united support of the general county delegation. The "pushing," it should be noticed, will devolve entirely on the B. & M. managers, and finally comes to the conclusion that so long as they are content to construct a governor they might as well try their "prentice hand" on a United States senator. There is, however, in some quarters vigorous opposition voiced to this movement, and this is supplemented by flourishing little side booms for Mr. Lamberison and Judge Field.

The large exposition store now occupied by Heppelheimer & Co. has been sold by J. J. Heppelheimer to W. W. Heppelheimer of Grand Rapids, Mich., for \$85,000.

Wednesday night sixty society ladies of Omaha will present a new and original version of opera ministry and drama in the opera house. There is every indication that the affair will meet with great success, as they come to Lincoln credited with a gratifying triumph in Omaha.

FATE OF A HUNTING PARTY

Three Exeter Men Believed to Have Been Killed in the Recent Prairie Fires.

EXETER, Neb., Nov. 12.—(Special.)—About seven weeks ago August Miller, George Horton and L. Stonebrink left for the northwest on a hunting expedition, and during the first four weeks their parents and friends received a letter or card from some one of the party at least once and sometimes twice each week. Now, however, not a word has been heard from any of them for three weeks. When the relatives got word that they were in the Niobrara river and were that they would start for home in about a week, which would have brought them home about ten days ago, they were relieved. But now they are becoming very much alarmed over the affair, as it is believed some accident must have befallen them, the one most possible being that they became victims of the recent prairie fires which have been recently raging over the northwest.

Jacob Pflugh left last Thursday for Mound City, Mo., with three loads of fancy stock, cattle and hogs, which he had at auction the latter part of this month. Another car of cattle, with the hogs, was in charge, followed the next day.

Mrs. Jennie Roper gave her Sabbath school class a very pleasant social at her home last Tuesday, which was greatly enjoyed by all.

Mrs. J. H. Hussman and little daughter have gone to Morrison, Ill., for a visit with relatives and friends.

Mr. A. Bird of Atlantic, Ia., father-in-law of Ben Merritt, the man found dead at that place recently, and who has been with his daughter the past ten days, returned home last week.

Mrs. George W. Patton has gone to Fairfield to visit her son, John W. Patton, and Mrs. W. L. Compton visited in Ulrica and Seward last week.

There is a great deal of sickness in and around Exeter at present, and a good many deaths, no less than four last week. Diphtheria seems to be the most prevalent.

MOTHER AND CHILD BURNED

Explosion of a Gasoline Stove at Hastings

HASTINGS, Neb., Nov. 12.—(Special Telegram.)—A very sad accident occurred this morning at the home of Councillman Jacob Thomas on West Fourth street, which resulted in the death of his wife and 5-year-old daughter, Edith. Mrs. Thomas was busily engaged with her kitchen duties, the two oldest boys were at school and the little girl was innocently playing in one part of the room, when it seems the gasoline stove exploded, for without a moment's warning the room was filled with flames. Mrs. Thomas made a dash for the door, and then, thinking of her child, she returned to the kitchen. Fighting her way through fire and smoke she succeeded in finding the little one and tried hard to make her escape with the prize which she had risked so much for. She had inhaled the fumes of smoke, and when she reached the southeast porch she fell prostrate with her child by her side, where they were found soon after, burned to an unrecognizable condition.

An alarm had been turned in, but the fire burned with such rapidity that it had gotten in its deadly work and almost destroyed the house completely before the department could give any assistance.

Mr. Thomas was in his tailor shop on First street and knew nothing of the fire until after it was all over. It has almost driven him insane with grief and he has the heartfelt sympathy of the whole city.

Killed While Hunting Quail.

HARTINGTON, Neb., Nov. 12.—(Special Telegram.)—While John Koch was hunting quail he accidentally shot himself in the abdomen. There is no possible chance for his recovery as the entire charge passed into his bowels. Several months ago his sister

was thrown from a horse, dying from her injuries.

COMMAND THE BEE

Valley Citizens Pleased with the Fight Made on Dishonest Candidates.

VALLEY, Neb., Nov. 12.—(Special.)—The citizens of this community, irrespective of party, commend The Bee for the course it pursued in the late campaign. They now realize that The Bee is a power in the state of Nebraska that is always ready to uphold the good and condemn the bad, and for that reason The Bee's list at Valley has more than doubled since last Tuesday.

Clarence Smith returned home yesterday from Chadron, where he has been conductor on the west division of the Elkhorn railroad. Mrs. Joseph Smith returned to her home in Beatrice this morning.

The case of William Mix against Henry Pichard was heard in Justice Hemphrey's court Saturday. The plaintiff brought suit for wages, claimed to amount to \$136.40. The court gave the plaintiff a judgment for \$136.40.

H. Williams, Union Pacific agent at this place, left yesterday for the western part of the state, where he will hunt for a couple of weeks, after which he will return to Omaha, filling Mr. Williams' place.

J. C. Flor and family of Fremont have moved to Texas to remain permanently. They left Saturday, after making a short visit with Mr. and Mrs. E. S. Flor of this city.

T. J. Tussey of this place is probably one among the earliest settlers of this section. He has been a resident of Platte Valley precinct thirty-one years, and before that period he was city marshal of Omaha.

Miss Rosa Remaley of Papillion spent the week-end at the home of Mrs. C. Kelley, returning home Saturday.

A party composed of about twenty ladies and gentlemen amused themselves yesterday afternoon skating on the Platte river. It was the first skating party of the season. The ice is about two inches thick on still water.

Miss Myrtle Smith returned last evening from a visit with her parents in Omaha.

BARRITT SCOTT SENTENCED.

Must Go to the Pen for Five Years for Robbing Holt County.

NELIGH, Neb., Nov. 12.—(Special Telegram.)—The regular session of the Antelope county term of court opened this afternoon. Soon after his arrival here Judge Robinson received a telegram announcing the hopeless sickness of his mother, who lives in West Virginia, and adjourned court and left for that state. Before his departure the case of Barrett Scott, the convicted defaulting treasurer of Holt county, was brought up and arguments for a new trial were heard. Sentence of five years in the state prison was then passed and notice of appeal given.

Gang of Burglars Sentenced.

O'NEILL, Neb., Nov. 12.—(Special Telegram.)—Sheriff Allen of Keya Paha county and C. E. Lear of Springfield arrived in this city this morning with Otis and William Graddy, Otis Boyer, Ray Turner and Albert Stanley of Keya Paha county, who robbed the store of Fink & Webb at Norden, Neb., last September of about \$200 worth of goods. The prisoners were brought before Judge Kinkaid in chambers today and pleaded guilty to the charge, and were sentenced to the penitentiary. Otis Graddy got two years, William Graddy, Otis Boyer and Ray Turner one year, and Albert Stanley two years. They will be taken to the penitentiary tomorrow.

Red Men to Meet at Hastings.

HASTINGS, Neb., Nov. 12.—(Special.)—A meeting of the great council of Improved Order of Red Men will be held here tomorrow afternoon and evening. The great Incoeb, Andrew W. Patton of Washington, was present. A grand reception and banquet will be given in the evening. Fully 100 delegates are expected to be present.

Light biscuit, delicious pastry, flaky short-cakes, appetizing rolls and muffins, and capital griddle cakes are made by using Dr. Price's Baking Powder.

Three Months for Wife Beating.

Neis Madison, who lives near Eighteenth and Mason streets, was up before the police judge yesterday for abusing his wife. This was his first time in court, and he was sentenced to the penitentiary for three months.

Mrs. Madison is a hard-working woman. Her husband is a natural born bum and will not contribute a cent to the support of the family. Saturday Madison took one of his wife's rings and pawned it at a saloon for beer. Then he went home and took the ring back to pawnshop, but he pawned the ring with some other jewelry and pawned the pawnshop for ninety days in the county jail, the first and middle six days of each month on bread and water.

AFFAIRS AT SOUTH OMAHA

Matters Disposed of by the City Council at Last Night's Meeting.

N STREET TO BE PAVED WITH BRICK

Mayor and Others Anxious About the Opening of Thirteenth Street-Liquor Dealers Organize a Lodge—Enrollment in the Schools—City Gossip.

The most important matter taken up by the city council last night was the petition by property owners along N street from Twenty-fourth to Twenty-seventh asking the privilege to pave that street with vitrified brick without any cost to the city. The petition was referred to the committee on petitions, streets and alleys and the city engineer.

This matter has been hanging fire for some time and the ordinance was already prepared. Upon motion of Mr. Walters the rules were suspended and the ordinance was placed upon first, second and third reading and passed. The work will be commenced at once, and in a very short time N street will be placed in first class condition.

In regard to the opening of Thirteenth street Mr. Holla, chairman of the special committee, reported that he and Mr. Ryan had waited upon members of the Board of County Commissioners and laid the matter before them. They were informed that the matter would be brought up soon. The committee was instructed to draft an ordinance regulating the sale of milk in South Omaha.

A small sum was voted to the city attorney for the purpose of opening Thirteenth street from Q to R.

Special Officer W. H. Platteau was paid off at the rate of \$2 a day for thirty days work. He presented a bill of 75 cents a day extra, but on motion of Mr. Ryan the bill was not allowed.

Mr. Ryan of the finance committee recommended the payment of back salaries held while waiting for a decision from the supreme court in the case of the city engineer. The total amount was about \$1,000. The bills were allowed.

Organized a Lodge.

A local lodge of the Brewers' and Retail Liquor Dealers' Mutual Aid association has been organized in South Omaha with the following officers: At. Geary, commander; Ed. Grant, vice commander; Fred. Blum, messenger; A. S. Hester, gate keeper; Herman Zeller, Xander Bauer and A. Franek, trustees.

The members of the grand lodge who installed the lodge were Charles N. Beaton, O. W. McEvoy, S. Shears, Lincoln, and E. L. Schmitt and Charles H. Platteau.

The lodge will meet again next Saturday night to organize.

Funeral of R. H. Griffith.

The funeral services over the remains of the late R. H. Griffith were conducted from the First Methodist church. The church was filled with sympathizing friends and neighbors. Rev. R. L. Wheeler of the First Presbyterian church preached a very touching sermon, and at the request of the family Rev. C. N. Dawson sang a solo. The burial took place in Lawrence cemetery.

Having Q Street West.

The petition which is being circulated among property owners on West Q street asking them to waive the cost of paving to the street car company is being generally signed. If a sufficient number is secured the work of laying the track over to the Third ward will be commenced at once.

The Schools Are Prosperous.

The enrollment of pupils in the public schools is 2,642. Last year it was 1,833. In some of the rooms it is so crowded that any increase in attendance will necessitate the renting of additional apartments. The teachers report good progress in each of the departments.

Make City Gossip.

Revelations are being held at the First Christian church.

Mrs. Gram, who lives at Twenty-sixth and J streets, is down with diphtheria. The taxpayers league will hold a meeting in the city council chamber next Tuesday night.

At Milwaukee. This morning Chief Seavey received the letter from W. A. Finkerton, thanking Sergeant Tom Grady for a complete criminal record of Crowe. This man is wanted in several western cities for burglary, and is supposed to be one of the gang wanted in St. Joseph for holding up express trains.

ANNOUNCEMENTS.

"The County Fair," which comes to the Boyd for three nights and Saturday afternoon, begins this evening, and is carried in two special cars, and the play will be embellished in the same complete manner as in New York. Two great sentimental and sensational features are announced, viz: An old fashioned husking bee, in which a score or more people are used, a running horse race in which five thoroughbred are seen running full tilt, in all the enthusiasm of a close finish. In this race over 10,000 pounds of machinery are used. Of the play itself it is generally described as superior to "The Old Homestead" of the character of New England character. The conservative critic of the New York Herald says: "The play is sweet as the odor of 'Dorcas,' written by the laughter of village maids in midsummer."

No pleasant recollections of any prima donna identified with the light opera stage exists in this city than those surrounding the beautiful Pauline Hall.

Miss Hall's visits to our city have always been hailed with gratification and success, and when she comes to Boyd's on Sunday, November 18, for an engagement of two nights in the new opera comedy, "Dorcas," written especially for her by the well known Harry Pavilton, author of "Erminie," etc., she will no doubt be accorded a most hearty welcome.

Miss Hall has as her always been her custom, surrounded herself this year with a thoroughly artistic and competent company. "Dorcas," which is a play of a kind to be brimful of bright, pretty and sprightly music.

WOMEN'S FACES. Like flowers, fade and wither with time; the bloom of the rose is only known to the eye in woman's cheeks. The nervous strain caused by the ailments of woman, pains peculiar to the sex, and the labor and worry of rearing a family, can often be traced by the lines in the woman's face. Dull eyes, the sorrow or wrinkled face and those "feelings of weakness" have their rise in the derangement of irregularities peculiar to women. The functional derangements, painful disorders, and chronic weaknesses of women, can be cured with Dr. Pierce's Favorite Prescription. For the young girl just entering womanhood, for the mother and those about to become mothers, and later in the decline of woman, by Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. Dr. Pierce's Favorite Prescription will cure the chronic inflammation of the lining membrane which cause such exhausting drains upon the system. It cures nervous prostration, sleeplessness, faintness, nervous debility and all disorders arising from derangement of the female organs and functions.

Woolen Mistakes Like Political Mistakes. Are getting more frequent as the years roll 'round, and Yankee genius suggests other things to mix besides ice cream soda with a "wink in it"—cocktails and politics. Many a clothing store sells goods today for a wool that are not "all wool." Some of 'em do it through ignorance, and some upon an idea that every man who wants to buy clothing is a sucker and can be caught with a "catch line" of display advertising. We never guess at it when we tell you a thing is all wool—you can bank on it.—We are selling overcoats—just now—at \$2.75, that are not wool all through, and we say so, too, but they're cheap at \$5.00, and in fact better than any \$5.00 overcoat you'll get in Omaha.

And here is that full length Kersey overcoat at \$6.75, all wool. Now the man who wrote that this ad. knows that they're all wool, for he took a small piece of cloth from one of these coats and "chewed the rag" because they were ordered sold so cheap. This overcoat is the best value this remarkable store ever offered to you.

Other overcoats and ulsters are perhaps in proportion as cheap as the ones we already spoke of. We have 'em in all styles, and all of the rule of this season. Long overcoats, whether they're of a cheap, medium or fine grade, whether \$2.75 or the finest swell kersey silk lined at \$21.50—they're all of the new school of styles, and above all, new cloth and not old shop worn, gathered up auction stuff, that won't wear long enough to tell of its birthplace.
